# About the company

**Created by Rocío Contreras (Mar del Plata, Buenos Aires, Argentina)  
In 2013, she left Sociology at the university to begin a path with the circus.  
She trains in different cultural centers between La Plata and Buenos Aires.  
She specializes in antipodism.**

**As well as juggling, acting and acrobatics.**

**From there, her various presentations and seminars on antipodism,  
took her to tour the stages and streets of Argentina, South America and Europe.  
In 2022, she created the **Compañía Frac**, which is the result of her artistic career,  
along with the premiere of her latest show: **The Gift**.**

**In her stage creations, both shows and acts, she is interested in fusing  
the circus with other arts such as theater and dance.**

**Generating her own dramaturgy, for all audiences and in a universal language.  
With the desire to bring stories, surprises and draw smiles in every corner of the world.**
